Request for Submissions

We invite submissions that offer insights into how gambling policies – whether at the sub-national, national or international level – affect public life. These studies may take a current perspective, analyse historical events – or they may include both approaches.

If you are thinking about beginning a manuscript for the *EJGI*, please see the [Invitation to Contributors](#) for information on length and style issues. All submissions will be peer-reviewed in confidence by at least two researchers of gambling policy. The editor will mediate the peer review process.

If you have questions, please contact the editor.
